19 These three were the sons of Noah, and from these the people of the whole earth were dispersed.

37 And he said to him, "You shall love the Lord your God with all your heart and with all your soul and with all your mind.

38 This is the great and first commandment.

39 And a second is like it: You shall love YOUR NEIGHBOR AS YOURSELF.

40 On these two commandments depend all the Law and the Prophets."

We are all ONE RACE—the HUMAN RACE!

We know of over 6,900 spoken languages in the world today...

Yet it is likely that fewer than 100 languages emerged from the Tower of Babel when God instantaneously confused the language.

Lots of pigment is called "black," and a little pigment is called "white."

Geneticists have found that if we were to take any two people from anywhere in the world, the basic genetic differences between these two people would typically be around 0.2%, even if they came from the same people group.

"Racial" characteristics account for only about 6% of this 0.2% variation.

The so-called "racial" genetic variation between human beings of different "race" is a mere 0.012%.

NO one has white or black skin!

Melanin = The main pigment that gives skin a dark or light shade. Individuals with darker skin have higher concentrations.

According to Scripture, the flood was about 4,300 years ago—in about 2350 BC...

Evidences of civilization that are found have to be dated AFTER 2240 BC.

These cavemen are often presented as animal-like by evolutionists to legitimize the ape-to-man development theory.

The discovery of those kinds of tools (stone tools) actually proves, NOT that they were dumb... But intelligent enough to be creative enough to improvise!
